

Bayside Montessori School Inc.

## **Enrollment criteria for bayside students**

Bayside Montessori School, under Childcare and quality assurance Licensing, is allowed students between the ages of **30 months and 6 years of age**.

**Applicants must demonstrate the following readiness in order to be considered for enrolment.**

- 1) The child must be completely toilet trained which means he or she can identify the need to use the washroom without being reminded, and can communicate this need to a staff member. Due to the number of children in our program, we can not be responsible for ensuring each one uses the bathroom. We are happy to assist children in using the toilet and wiping.
- 2) The child must have the language skills to express his or her needs to a staff member.
- 3) The child must demonstrate an understanding of verbal commands which will ensure his or her safety and well-being within the Montessori environment.
- 4) The child must visit the classroom with a parent or guardian at which time a teacher will assess his or her motor skills.
- 5) 5.) Children who do not meet all aspects of the criteria can be reassessed and considered for space (providing there is room) at a later date.
